

Giving A Hand... Not A Hand-Out!

At Exodus Homes, we give residents a hand...not a hand out. Residents are expected to work full time, and pay program fees for the services they receive once they are employed in the community.

Our operating budget is supported primarily by the revenue generated by Exodus Works, and residents' fees paid from their wages earned on the job, once they are employed in the community.

Exodus Works are an insured vocational training program of **Exodus Homes**, a private non-profit United Way agency that provides faith-based supportive housing for recovering people returning to the community from treatment centers and prison.

Exodus Works is a drug free, supervised labor force that provides employment opportunities for our residents who are **non-paid trainees** in a variety of enterprises that generate revenue to support our programs.

Exodus Workers are here to provide quality services at very affordable prices to meet your needs.

Revenue generated by **Exodus Works** is needed to support the programs of Exodus Homes.

TIPPING

Tipping is not required, but if you are satisfied with the work we have performed, **tipping is appreciated.**

The tips our trainees receive are theirs to keep and help them purchase toiletries, food, medication, pay probation fees, child support, and take care of other personal needs while in training.

The tip should be based on the difficulty of the job and how satisfied you are with the work. **The tip should be recorded on the work order when you sign it.**
